“We held our wedding reception here on September 29th, 2019 and it was absolutely perfect. The venue is beautiful, central, and modern. Perfect for an intimate wedding - we hosted 70 people. We have received many compliments on the food and staff. The manager Valerie particularly needs to be mentioned as she made the entire experience excellent and constantly checked in throughout the night even making my wife a plate of food as she was busy greeting family members and friends. Looking forward to dining here for years to come.”
